10-12 - Early Bird Tournament (Rapier List 1)

Master Maximilian der Zauberer

Pick fights, take names and get acquainted. The purpose of this tourney isn't to win the most bouts, but to find the most interesting facts about your opponents. ***"More talk! Less fighting!"*** Who will the MIC give the bird to this year?

Friday, 8/5

10-12 - Bouquet List (Rapier List 1)

Lord Jacob the Wanderer

Entrants must be fighting for a consort (either present or not....preferred to be on the field). On entry you are given a single flower; after your second defeat you surrender it to the victor. At the end, the winner has a bouquet to present to his or her consort. NOW is your chance to extol the virtues of your consort loudly!

1-3 - Poker Card Tournament (Rapier List 2)

THL Ælfwine se Pyttel

This is a bear pit-style format where the loser of the bout stays to fight the next fencer. Fencers stay until they win or have 3 deaths. Double kills count towards the number of deaths. Fencers leaving the field shall receive a playing card and shall keep up to 7 cards. The winner of the tournament shall be determined by the best poker hand of 5 cards. This format will be run twice to determine two winners.

Saturday, 8/6

10-12 - Battle of La Rochelle (Fort)

Master Anton du Marais

The defenders of La Rochelle ****will**** die! The only question is, ****when****? Join us at the Fort to find out. Heavy rapier and rubber band gun melee. Attackers will have unlimited resurrections, defenders will have limited resurrections. RBG cannon are welcome. No archery, please. Pennsic standard rules for rapier apply. Don't have a heavy rapier? Bring a dagger or two. Bring a friend or 20. The more the merrier. Don't like to fight melee? Come and get close to the action and help marshal the battle. Please muster ****at the Fort**** half an hour before the start time, especially if you want to fight along with a particular group. Time permitting, we will do something new and different for the last battle. Come check it out.
